What could it be? Download Dead Effect 2 for Android to find out. This Sci-Fi Horror Shooter is sure to get your blood boiling, nerves aches, and skin chills with your amazing and immersive gameplay. Enjoy the game anytime, from anywhere in offline campaign mode with different missions and achievements. Dead Effect 2 Features Why should you download this scary game? Well, if you're not into the horror genre, then you wouldn't be here in the first place. That being said, there's more than just this reason to keep you playing the game. Graphics and sounds like a console game: The latest NVIDIA technology for Android has been used to give you these stunning graphics and sounds. Professional voice actors time and effort to set the mood for each scene. Likewise, the sound of advertising in the overall atmosphere of the game is set to really get your hairs to the end and keep you on your toes. RPG Elements and Evolution: You have access to 3 different characters in Dead Effect 2, each with your own personalities. You will need to train them and develop them as you play. In addition, there are over 100 upgradable implants in your body as well as tool kits. In addition, they have more than 40 different weapons. Immersive Game: You spend a good time playing. The fully offline story is more than 20 hours long, with an additional 10 hours of content. In addition, you will be able to score a plethora of achievements. Customizable Controls: Finally, the controls of the game are fully customizable. If you don't want to have the current layout, you can switch it at any time to suit your preferences. Graphics and Sound Graphics from Dead Effect 2 are pretty decent. The graphics quality resembles a PS2-PS3 era game. Animations are also fluid and plausible when put into motion. Sometimes you will feel like you are playing a console game. As for the sounds, the cutscenes are completely vocal acted by a cast of great actors. Sounds really set the mood for this horror Sci-Fi adventure. As such, the game is not really a good job with the overall theme of the game. Both the use of graphics and sound together makes this one chilling experience.
